

Good afternoon North Marion Families! We wanted to communicate this week's Chromebook and Hotspot Distribution Plan:

1. ON-SITE CHROMEBOOK AND HOTSPOT DISTRIBUTION this week: Tomorrow, Tuesday May 12th we will be distributing Chromebooks and Hotspots for all students, Grades Kindergarten through 12th from 1:00 to 4:00 PM in the High School Bus Lane. Important note, if you are picking up a Hotspot, you must take a Chromebook as well, even if you have your own device. The Hotspots are configured to work only with North Marion's Chromebooks.

2. EXCHANGES: If you need to exchange a Chromebook, you are welcome to come to Tuesday's distribution to exchange your student's Chromebook.

3. HOME DELIVERY: We will continue to provide home delivery services for those families that are unable to pick up their Chromebook and/ or Hotspots for all students. Please contact your child's teacher to inform us of your need so we can put your Chromebook and/or hotspot package together and schedule it for delivery.

Thank you,

North Marion School District Technology Team
