All academic awards are determined using unweighted GPAs.

Graduation Requirements: See the Curriculum Guide available in North Marion High School's counseling center or on the school website.

All students are required to have a full schedule. Exceptions may be arranged with your counselor. All off-campus credit must be approved in advance by the Counseling Department. Students who wish to complete graduation requirements in fewer than four years, must complete the necessary paperwork with their counselor by the end of the 3rd trimester of their junior year.

Students must be in "good standing" which means: Students who violate school policy may, in some instances, be excluded from walking at graduation.

Accidents:

There is a possibility that a student will experience an injury during the school day in gym class, lab type classes, or in an extracurricular activity. If a student is hurt, the following steps should be taken: (1) all accidents must be reported to the teacher if the injury occurred in the classroom, or (2) accidents occurring during athletic participation must be reported to the coach. (3) The teacher or coach will complete an accident form and report any injury to the main office. (4) Parents, a responsible adult, or the student's physician will be notified immediately if the injury requires medical attention.

Admission:

A student seeking enrollment in the district for the first time must meet all academic, age, immunization, tuition, and other eligibility prerequisites for admission as required by state law, school board policy, and administration regulations. Students and their parents should contact the counseling center for admission requirements.

THE DISTRICT MAY DENY REGULAR SCHOOL ADMISSION TO A STUDENT WHO IS EXPELLED FROM ANOTHER SCHOOL DISTRICT AND WHOM SUBSEQUENTLY BECOMES A RESIDENT OF THE DISTRICT OR WHO APPLIES FOR ADMISSION TO THE DISTRICT AS A NON-RESIDENT STUDENT.

THE DISTRICT SHALL DENY REGULAR SCHOOL ADMISSION TO A STUDENT WHO IS EXPELLED FROM ANOTHER SCHOOL DISTRICT FOR AN OFFENSE THAT CONSTITUTES A VIOLATION OF THE FEDERAL GUN-FREE SCHOOLS ACT OF 1994 AND WHO SUBSEQUENTLY BECOMES A RESIDENT OF THE DISTRICT OR WHO APPLIES FOR ADMISSION TO THE DISTRICT AS A NON-RESIDENT STUDENT.

Affirmative Action:

We at North Marion High School are committed to the principles that equal education opportunity shall be provided to all students. In compliance with Title IX -Sex Discrimination- the student is advised to seek out advice and help from a counselor if he or she believes that they have been discriminated against because of age, physical/mental challenges, national origin, race, religion or sex. If the harassment is not changed, a grievance procedure is available. The grievance procedure has the following steps:

Step 1: The student will first discuss the grievances with the building principal within twenty (20) days of the incident or their knowledge of it.

Step 2: If the grievance is not solved, the student will then specify the grievance to the superintendent within ten (10) days. The superintendent will establish a date and location for an informal hearing on the matter. The superintendent shall make a determination hearing the evidence and decide what steps are to be taken to resolve the grievance.

Step 3: An appeal to the school board is proper if the student is not satisfied with the superintendent's action. The time limit for appealing is ten (10) days. The board may affirm, modify, or reverse the previous action.

Step 4: If the complaint is not satisfactorily settled, an appeal may be made to the Regional Civil Rights Director, U. S. Department of Education, and the Office of Civil Rights, Region X, 915 2nd avenue, room 3310, Seattle WA 98174-1099.

Changes to the above procedure may be if an administrator is named in the complaint.

Asbestos:

The district has complied with the Asbestos Hazard Emergency Response Act (AHERA) by having its buildings inspected by accredited inspectors and the development of a management plan for the control of this substance. The management plan is available for public inspection at the district's office. The District Office serves as the Districts Asbestos Program Manager and may be contacted for additional information.

Assembly Conduct:

Assemblies are a privilege extended to the students of NMHS. Behavior should be above reproach. Students are expected to conduct themselves in such a manner that will bring credit to the entire student body. Student misbehavior at assemblies, may be subject to disciplinary action.

Assemblies and Programs:

Requests for assemblies/programs should be directed through the club advisor and Activities Director. Final approval lies with the administration.

Assignment of Students To Programs:

Students are required to attend the school in the attendance area in which they reside, unless as otherwise provided by state and federal law. Expectations may be allowed in certain circumstances. Contact the school office or counselor for additional information.

While parents have the option of placing their students in a private school or obtaining additional services (such as tutoring) from a private individual or organization, the district is not obligated to cover resulting tuition costs. If a parent wishes the district to consider a publicly funded private placement or private services, they must give the district notice and opportunity to propose other options available within the public school system before the private placement services are obtained.

Parent(s) of any student receiving regular education, section 504 of the Rehabilitation Act of 1973 or individuals with Disabilities Education (IDEA) services must provide notice to the districts of the last individualized education program (IEP) meeting prior to obtaining private services or in writing at least ten (10) business days prior to obtaining such service. The notice must include the parents' intent to obtain private services, the parents' rejection of the educational program offered by the district, and the parents request that the district fund the private services. Failure to meet these notice requirements may result in denial of any subsequent reimbursement request.

Attendance:

All students between the ages of 7 and 18, who have not completed grade 12, are required to attend school unless otherwise exempted by the law (ORS 339.010). School staff will monitor and report violations of the state compulsory attendance law.

The law further requires persons having control of such minor to send them to school. Exemptions to the compulsory attendance law are allowed in certain circumstances, i.e., home schooling, students attending private schools, and/or students who are emancipated.

Efforts will be made by the school officials to enforce the compulsory attendance laws for the state. In the workplace, this number of absences would be considered excessive and NMHS wants to encourage students to learn good workplace habits with regard to attendance. **Parents are encouraged to contact the main office if they want to check on their student's attendance and work with the student's counselor should problems arise.** One fundamental reason for insisting on punctual regular school attendance is to help each student develop habits of responsibilities which will assist them to function well in society and succeed in the world of work. Regular attendance is mandatory if the student successfully reaches this goal. We also believe there are few substitutes for the value of the relationship which occurs between students and teachers in the learning environment.

Any parent who fails to send a student to school within three days of notification by the district that their student is not complying with the compulsory attendance requirements may be issued a citation by the district for the student failure to attend school. A building administrator may schedule a conference with the non-attending student and their parent(s) to discuss attendance requirements.

Truancy: A student who is absent from school or from any class without permission will be considered truant and will be subject to disciplinary action including detention, suspension, expulsion, and or ineligibility to participate in athletics or other activities. The student may not be allowed to make up class work missed during the truancy and may receive a "0".

Attendance Policy: North Marion High School recognizes **ONLY** the following reasons as valid reasons for **EXCUSED** absences;

- 1: Illness of the student
- 2: Illness of an immediate family member when the student's presence at home is necessary.
- 3: Emergency situations that require the student's absence.
- 4: Medical appointments. Verification of appointment may be required.

5: Field trips and school-approved activities.

6: Other reasons deemed appropriate by the Administration in charge of attendance when satisfactory arrangements have been made in advance of the absence.

Please Note: The following are NOT excusable absences in accordance with Oregon State Attendance Laws:

1. Truancy
2. shopping/haircuts
3. DMV Appointment
4. Missing the bus or car malfunctions
5. Birthday or other celebrations
6. Family vacations not excused in advance
7. Oversleeping
8. Gainful employment
9. Hunting or fishing

Information for the excuse must include the full name of the student, the calendar date(s) of the absence, a brief reason for the absence and the complete signature of a parent or guardian. The note should be dropped off at the main office by the student upon return to school. All students leaving campus **MUST CHECK IN/OUT OF THE OFFICE**. Absences may not be excused if the student does not check in/out of the office.

Attendance/Participation in School-Sponsored Activities- students who participate in school- sponsored activities, i.e., sports, musical events, clubs, etc., **must attend a full day of school the day of the event** in order to be eligible to participate. Exceptions are made for pre-arranged or school-related absences.

Pre-arranged absence- pre-arranged absences are those arranged at least one (1) school day prior to the student's actual absence. Forms are available in the main office. These absences **will count in the absence total**.

School-related absences- An absence from school that has been planned and approved as part of a source of study or as a school supported extra-curricular activity will be counted as a school-related absence. Examples of school-related absences are field trips, early release, participation in sporting events, student council meetings, speech team contests, college visitations, etc. These absences are **not counted when looking at attendance totals**. Attendance at state playoffs by students who are observing rather than playing must be pre-arranged with a written note **the day before the activity** to be counted as a school-related absence. Notes brought the day of the activity will be an excused absence, not school-related. No phone calls will be accepted for excuses for playoffs. The school will determine release time for the student that can be excused as school-related.

Make Up Work Needed To Excused Absences: - The student is responsible for all information and work in every class. Excused absences do not excuse the student from work missed in class. Upon returning to school, the student should contact the teacher at the teacher's convenience, and arrange for any appropriate makeup work. When students are absent they may miss discussions, films, labs, participation activities, or quizzes that are extremely difficult to make up. For extended absences (more than 4 days), homework may be requested by calling the Main Office at, **503-678-7123**

Counselors' Contact should be made if a student has a lengthy illness. Assignments made prior to the student's absence are due upon their return. Work assigned during an excused absence is due within a reasonable time as assigned by the instructor, usually the same amount of time as days missed.

Excused Absences From Final Exams- Trimester exams are not given early except under unusual circumstances. Arrangements are made through a teacher/administrator to take exams at a later date.

Care Of Textbooks/Chromebooks:

Textbooks, Chromebooks, and small materials are loaned to students on the condition that any loss or damage beyond ordinary wear shall be paid for at replacement costs.

Class Schedules:

Students are assigned to classes based on the individual needs of the student, staffing, and scheduling considerations. Parents' requests to place a student in a particular class, may be submitted to the building principal or a counselor prior to June 1 of the school year in question, or no later than six weeks prior to a trimester break during a school year. Requests to change a student's assigned class at other times must be directed to the building principal. Final decisions are the responsibility of the building principal or designee.

Change Of Class Scheduling/Adding Or Dropping A Course

At the start of the trimester, if a student would like to change their schedule, they must complete a schedule change request form, having it signed by their parent/guardian, and submit their request to the counseling department by the specified date. Students must follow their schedule until they are notified of a schedule change.

Any student dropping a class for a reason after two weeks into a trimester will receive a "W" or "WF" in that class. If a student wants to drop a class after the first week, they will need to see a counselor. Any exceptions to this policy must be cleared through the principal, parent, and teacher involved.

Closed Campus:

North Marion High School is a closed campus. Students are not allowed to leave campus during regular school hours without prior approval/checking out through the main office.

Commencement Exercises: Student Participation

Parents of a student with a communicable or contagious disease are asked to telephone the school nurse so that other students who have been exposed to the disease can be alerted. A student with certain school restricted diseases is not allowed to come to the school while the disease is contagious. This restriction is removed by the written statement of the local health officer or licensed physician (with the concurrence of the local health officer) that the disease is no longer communicable to others in the school setting. For these

diseases indicated by an asterisk (*), the restriction may be removed by a district nurse. Every student should know the location of the exit in each room used during the day. Consult the chart posted in the room or ask the instructor. It is also advisable to know a possible second or third exit in case the nearest or regularly assigned one is blocked. Students should know where to go when the fire alarm rings, and should proceed in an orderly fashion to the building exits as directed and move out at least 50 feet from entryways. Students are to return to class when the signal bell rings. Fire alarms are provided for the protection of the students and staff at NMHS. No hall passes the first 10 minutes or the last 10 minutes of any class period, including teacher aids. No hall passes during 1st and 2nd lunches.

Honor Policy:

North Marion High School faculty and administration believe that honesty and trustworthiness are the basic characteristics of a citizen in a free society. We also believe that whatever learning a person achieves as the result of their own efforts is an accomplishment in which he/she can take pride and which will be of use and benefit to them. In belief, and as an expression of the value we place on the integrity of a student's work, we will not accept plagiarism, inappropriate use of artificial intelligence, copying the work of others, doing another student's work, giving answers for tests, nor any other activity that falls into the classification of academic dishonesty. The consequences for such action will be the confiscation of material, notification of parents, failure of assignment, and disciplinary action.

Immunization:

We want to remind you that the state of Oregon requires all school age children, K through 12, must be immunized or have begun the immunization process and show proof of such immunization to be permitted to attend Oregon schools. Students new to the North Marion School District 15 must supply appropriate immunization information before they will be permitted to enroll. Records are on file for those students who attended school in this district during the current school year.

We are required to check the health data of all students once school has started. If there are irregularities, the student will be notified before the first Monday in November. The exclusion date for students not properly immunized is in mid-February. If you have any immunization questions, please contact us during business hours. If the students are attending NMHS for the first time, you should check with the previous school.

Any parent may request that their student be excused from that portion of the instructional program required by Oregon Law by contacting the principal for additional information and procedures.

Internet And Computer Use:

North Marion High School has computer connections to the internet. This internet connection provides powerful access to worldwide information in text and media form that, if properly used, can enhance student learning. It can be particularly meaningful for students because it provides a wealth of information resources not readily available through conventional means. Our 1:1 Chromebook program provides each student with a computer. This computer is for educational purposes only and is your responsibility. If your computer is in need of repair, take it to the media center.

Lockers:

Hall lockers are provided so students may have a convenient place for their school related items such as books and coats. **Lockers should NOT be considered a "safe" place for keeping possessions of value.** It is the student's responsibility to keep his/her locker locked at all times. Locker combinations are given only to the individual student and should be kept secret. Whenever the lock fails to work properly, the office should be notified. Lockers are on loan to students during the school year. Pegging a locker or placing an item in the locker mechanism so it does not shut completely will not be allowed because of damage to the locker. Students may be charged for replacement of lock or door, if necessary. If any unsafe or inappropriate items are found in the locker, the penalties shall be all of those provided by law and district policy. Additionally, confiscation of the item or items and possible loss of locker privileges as set forth below.

Inspection of Lockers:

All lockers and their contents within the school building are subject to inspection by authorized personnel, including police officers with or without K9 units, at any time, without prior notice, and regardless of the student's presence. Inspections may be conducted randomly or based on specific suspicion of prohibited items. This includes examination of all containers, clothing pockets, and compartments found within the locker. If a locked container is discovered, it will be taken to an administrator's office where the student will be given a reasonable opportunity to unlock it; refusal to do so may result in the container being forcibly opened without the school bearing responsibility for any damage incurred. Students are accountable for all items found in their lockers, regardless of ownership claims. Should any item be identified as belonging to another student not authorized to use the locker, additional disciplinary or legal action may be taken against that individual. Items disclaimed by the student will be treated as abandoned property.

Use of Locks:

No lock shall be placed on a locker other than the lock assigned by the school for that particular student's use of that locker. If the locker is of the built-in combination lock type, the student shall use no other lock. Any lock not permissible under the paragraph shall be forcibly removed.

Written instructions of the parent, which include the information above, are required for all requests to administer prescription and non-prescription medication. Medical Protocols- Students with unique medical conditions requiring staff intervention will be required to develop an individual protocol in coordination with the district's nurse and the student's physician if necessary. Staff will be expected to follow this protocol.

Deliveries are taken care of through the Main Office. We earnestly request parents to plan ahead and eliminate these deliveries whenever possible. Parents may request that the teacher and other staff review their child's progress at any time during the school year. Parents may also request testing to determine if their child is in need of special education.

Students take courses through the Opportunity Center primarily for mid-term or late term transfers to North Marion and recovery of credit.

Home Schooling:

Please contact Willamette Educational Service District, 503-588-5330, for information regarding this alternative. **NOTE:** Home schooled students do not earn a diploma nor do they participate in commencement exercises. Home School Students may participate in OSAA activities.

Student Disciplinary Action Explanation

Students who become involved in areas of disruptive behavior will be subject to certain disciplinary actions. Actions will be recorded in the students Behavior file. Depending upon the seriousness of the behavior problem, one or more of the following actions will be taken by school officials (teachers, administrators, or other school employees).

Student Conference:

A formal conference is held between the student and one or more school officials. During this conference, the student must agree to change his/her behavior.

Parent Notification:

A legal guardian is notified by telephone, personal contact, or letter informing him/her of their student's status at school.

Conference:

A legal guardian is notified by telephone, personal contact, or letter. A conference may be conducted between the student, his/her legal guardian, appropriate school officials, and other individuals involved.

Disciplinary Reassignment:

An administrator may reassign a misbehaving student to a separate supervised environment away from usual activities within the school. This may include a referral to counseling, a schedule change, a work assignment around school, and/or after school detention. At this time, students may be advised of district or community alternatives.

Lunch Detention:

Lunch detentions will be assigned at the discretion of the administration.

After-School Community Service:

After-School community service will be assigned at the discretion of the administration.

In-School Suspension:

At the administrator's discretion, in-school suspension may be assigned.

Out-Of-School Suspension:

A student may be suspended from school for up to and including ten (10) school days for willful violations of the student code of conduct. The district may require a student to attend school during non-school hours as an alternative to suspension.

An opportunity for the student to present his/her view of the alleged misconduct will be given. Each suspension will include a specification of the reasons for the suspension, the length of the suspension, a plan for re-admission, and an opportunity to appeal the decision. A suspension may not exceed ten (10) consecutive school days.

Every reasonable and prompt effort will be made to notify the parents of the student's suspension. While under suspension, a student may not attend after school activities and athletic events, be present on district property, nor participate in activities directed or sponsored by the district.

Schoolwork missed by a student while on suspension may be completed upon the student's return to school if the work missed reflects achievement over a greater period of time than the length of the student suspension.

For example, a student will be allowed to make up final, mid-term, and unit examinations without academic penalty. The student may be advised of district or community alternatives.

Expulsion Process:

A student may be expelled for severe or repeated violations of the Student Code of Conduct. No student may be expelled without a hearing unless the student's parent or the student, if 18 years of age, waives the right to a hearing, either in writing or by failure to appear at the scheduled hearing. An expulsion shall not extend beyond one calendar year.

The district will provide appropriate expulsion notification including expulsion hearing procedures, student and parent rights, and alternative education provisions as required by law.

The principal or their administrative designee, through the superintendent, may recommend that a student be expelled. The student is suspended pending a hearing and/or action by the superintendent. Through this action of the superintendent, the student is excluded from school attendance and from all activities in the district. A decision by the superintendent to expel may be appealed to the School Board. In some situations, a diversion contract may be implemented.

An expulsion, in cases of severe physical assault upon school personnel may result in expulsion from school for a full calendar year. The student and legal guardian are notified of charges by telephone and certified letter. The procedure for expulsion follows in accordance with the rights of the student within due process. The legal guardian upon request to the school administrator may review these rights.

Discipline Of Disabled Students:

Any student, regardless of a disability, who engages in conduct which would warrant suspension, may be suspended for up to ten (10) consecutive calendar days. If the student in question is on a current IEP (Individual Education Program) then a meeting must be held to determine if there is a direct relationship between the student's misbehavior and his/her identified disability(ies). If the team determines that there is no relationship, the student will be treated as any non-disabled student would be in a similar situation and a new plan may be put into place concerning the student placement.

If it is determined that there is a direct relationship between the student disability and misbehavior, a functional behavioral assessment will be performed within the ten (10) days to construct a behavioral intervention plan, review existing behavior intervention plans, and review a possible change of placement. An IEP team meeting will be held, also within the ten (10) days, to approve and/or modify the interventions and change of placement. The IEP team will include, but not be limited to, the student's parents, their case manager or a special education teacher, a regular classroom teacher, and a school administrator. If the offending student's actions were a physical threat to himself or others, such as possession of a weapon or illegal drugs, the school officials may order a 45 calendar day alternative interim education setting to be decided on by the IEP team. A hearing officer will determine final placement.

Upon the student's return there may be a request for an additional evaluation and the IEP team must meet to revise the existing plan.

In all cases where bus riding privileges are suspended, the students parents or guardians shall be notified by the school designee and a conference time offered. If appropriate, the school designee can require a parent conference before considering reinstatement of a student's riding privileges. Every attempt will be made by the building designee to ensure a parent conference will be held to resolve the problem.

Dress Code:

North Marion High School is proud of its students and their continual efforts at selecting dress attire that is appropriate for the school setting. Appropriate appearance should follow acceptable contemporary fashion and should reflect positivity on the individual, their family, and the school. The basic criteria should always be in good taste whereby the pride of the individual is projected. Dress code expectations include but are not limited to the following:

1. No clothing with words or logos with alcohol, tobacco, drugs, vulgarity, violence, bigotry, or sexual connotations, or those containing double meanings about the above listed items.
2. No clothing that creates a safety hazard (i.e., oversized “saggy” pants which prevent students from safely using stairs and exiting the building quickly during an emergency). Pants should fit at the waist, with no underwear showing. If a belt is worn, it must be worn through all belt loops and not hanging below the waist.
3. For classes where clothing/dress are a significant factor in student safety and ability to contribute such as wood/metal shop, culinary, PE, etc.; clothing should conform to the expectations of the instructor.
4. No chains of excessive length or size may be attached to belts, wallets, or pant loops.
5. No attire shall be worn that compromises modesty. Clothing that exposes inappropriate areas, including undergarments, shall not be worn at school.
6. Hats cannot be worn in a way that makes it difficult to identify students or to determine if earphones/earbuds are being used.
7. No clothing or symbols, which promote or identify gang membership (the wearing of one specific color, such as red, blue, etc.; coats or hats that have gang names, style writing and/or street names displayed on them, no bandannas, do-rags, or hairnets). The rules for personal attire will be interpreted with enough flexibility to address the issue of gang related content as those symbols change from year-to-year.
8. No sunglasses are to be worn in the building at any time, unless a licensed physician medically prescribed them.

Any student not following the above criteria for personal appearance will be referred to a counselor and/or administrator.

Students who represent the school in a voluntary activity may be required to meet additional dress and grooming standards approved by the building administration and may be denied the opportunity to participate if those standards are not met. The personal appearance standards for students will be interpreted with enough flexibility to maintain at all times a safe, positive learning environment on the North Marion High School campus.

Gang Signs:

Students shall not:

1. Wear, possess, use, distribute, display, or sell any clothing, jewelry, emblem, badge, symbol, sign, tattoos, drawings, or other things that are evidence of membership or affiliation in any gang.

Cellular Phones, Bluetooth Speakers, Video Recorders, Hand-Held Gaming Systems, and Laser Pens:

We believe cell phones, bluetooth speakers, video recorders, laser pens, etc. are a disruptive factor to the designated business of this school. However, we do understand that personal communication devices (i.e. cell phones and portable music players) are allowed on school property and at school-sponsored activities provided such devices are not used in any manner that may disrupt the learning environment, school-sponsored activities or violate school board policies, administrative regulations, school or classroom rules, state and federal law. However, they have become necessary instruments for family communication and classroom tools. Therefore, the following guidelines shall apply:

1. The school is not liable for any cell phone, or other personal electronic device.
2. Students may use personal electronic devices as part of the learning experience.
3. Personal electronic devices may be used passing time, during assigned lunches, before and after school.

Hazing, Harassment, Intimidation, Bullying, Cyberbullying, and Menacing:

North Marion High School is committed to providing an environment where students can study, participate in school-sponsored activities and work in an environment that is free of hazing, harassment, intimidation, discrimination, bullying and menacing. This policy includes language required by Oregon Revised Statutes and Oregon Administrative Rules.

Right Of Due Process:

This handbook (see guidelines for student conduct) has explained the major disciplinary problem areas and the actions that may result for those students who will not follow the rules. All students are entitled to due process. This means that no action will be taken against a student until everyone involved has presented the facts and a judgment has been made. There are certain procedures which school officials must follow prior to taking appropriate disciplinary action. There are also procedures, which students must follow if they do not agree with the school's actions. Hopefully, students will never be in a situation where they need the protection of due process. If, however, a student does become involved in a suspension or expulsion, both the student and his/her legal guardian, upon request, will be given a more detailed description of the due process procedure. The following summary is only to acquaint students and guardians that such a procedure exists.

Search and Seizure/Questioning:

District officials may search the student, their personal property and property assigned by the district for the student's use at any time on district property or when the student is under the jurisdiction of the school. Such searches will be conducted only when there is reasonable suspicion to believe evidence of a violation of law, Board policy, administrative regulations, or the District's Guidelines for student conduct is present.

Searches will not be excessively intrusive in light of the age, sex, and maturity of the student and when nature of the infraction. The district prohibits strip searches. District officials may also search when they have reasonable information that emergency/dangerous circumstances exist.

District-owned storage areas assigned for student use, such as lockers and desks, may be routinely sanitized, to check mechanical conditions and safety, and to reclaim overdue library books, texts or other instructional materials, property or equipment belonging to the district. The student will generally be permitted to be present during the inspection. Items found which are evidence of a violation of law, policy, regulation, or the district's guidelines for student conduct may be seized and turned over to law enforcement or returned to its rightful owner, as appropriate.

When law enforcement officials find it necessary to question students during the school day or during periods of extracurricular activities, the principal or designee will be present when possible. An effort will be made to contact the parent/guardian so that the responsible adult may be notified of the situation.

If custody and/or arrest is involved, the principal or designee will request that all procedural safeguards prescribed by law will be observed by law enforcement officials.

Parents are advised that in suspected child abuse cases, services to children and family and/or law enforcement officials may exclude personnel from the investigation procedures and may prohibit district personnel from contacting parents.

Student Conduct:

Students are responsible for conducting themselves properly in accordance with the policies of the district and the lawful direction of staff. The district has the responsibility to afford students certain rights as guaranteed under federal and state constitutions and statutes.

Student Academic Integrity Policy:

In accordance with our honor policy, we at North Marion High School believe in the academic, social, and ethical well-being of our students.
